

# GCF Learn Free

The GCFLearnFree.org program helps people around the world learn essential 21st century skills. From Microsoft Office and email to reading, math, and more, GCFLearnFree.org offers many topics that include lessons, videos, interactives and games completely free.

## Getting started

1. Access over 150 topics to build your computer skills or explore your creativity with design & photography online tutorials.
2. Categories include: Technology (computer programs, email, Internet, online safety), Work (career planning, workplace skills, applying for jobs), Core Skills (everyday life and personal finance), Reading & Math (learn new words, practice reading skills, expand your math knowledge)
3. Lessons are interactive and suit your needs
4. A program of the Goodwill Community Foundation

## Access

1. **On your PC or Mac** Go to <https://edu.gcfglobal.org/en/>
2. No need to log in or sign up for an account
3. Browse the home page for featured topics or expand TOPICS (top right and centre of screen)
4. Designed for a global audience but some examples (such as banking and finance use U.S. situations and are not applicable to Australian circumstances)
5. No app available. Use via your browser - Firefox, Google Chrome, or Safari are recommended

## System requirements

- Latest release of your favourite browser (Safari, Chrome or Firefox)
- Requires Flash for some interactive elements.

## Find

- Featured playlists on emerging industries via YouTube
- Teachers guides and additional resources
- Request a topic

## View

- Print each lesson for any given tutorial using the printer-friendly view
- Explore functional literacy skills in the Everyday Life program

## Hints

No record is kept of your learning & no certificates of completion are available

## Help

Trouble viewing any videos or interactives – clear your browser's cache
