FIND

Search images only, or search across the magazine archive.

Chart how topics have been reported over time

HELP

View Help from any page, contact your local library or email eresources@slq.qld.gov.au

GETTING STARTED

Expand the *Explore topics* menu and discover National Geographic books, images, maps, and videos.

Browse magazines. Read per page or search within an issue.

ACCESS

1. Go to:
https://infotrac.gale.com/itweb/slq_rlq?db=NGMA
2. Confirm your RLQ/IKC membership by entering your library card number
3. Select a display language, other than English if required.

VIEW

Videos stream when opened. Pause and continue watching.

All text is narrated. Click *Listen* for articles, books, or captions to images

HINTS

Create a user account to save your documents list and create personal tags.

Return to my library – takes you back to Aurora Montage.
