

# COMMON GOALS OF VIBRANT LIBRARIES

(Adapted from Advancing Queensland Public Libraries: A Research Report for State Library of Queensland, 2016)

## Libraries stimulate and guide

and ...

## Evidence of success

- Close relationships with other community organisations
- Evidence of libraries' impact on the community
- Harnessing community skills and resources
- Partnerships
- Inter-library networks
- Innovative service provision
- Co-location
- Independent communication channels
- Proactive attitude
- Embrace the changing role of libraries

## Achieving the vision
